ASTN EXECUTIVE SUMMARY

Australian Sports Technologies Network (ASTN) is the governing body to help commercialise and grow globally Australian companies at the data, digital and technology intersection of Sports, Media, Entertainment and Health.

Founded in 2012, ASTN is a non-for-profit industry body with responsibility to support over 500+ sports technology companies each year across Australia. ASTN estimates the Sports Technology industry represents over 15,000 jobs in Australia. Australian Sports technology companies have raised over \$400 million in venture capital since 2012.

ASTN brings together education through industry leading Events, Innovation Conferences, Networking, Trade Missions, Business Matching, Government alignment, Clubs, Teams and Federations to celebrate and invest in Sports Technology all under one umbrella.

ASTN has helped grow Australian Sports Tech exports from \$250 million to \$500 million over 8 years. The ASTN is working towards achieving \$1.25 billion in exports by 2025.

We have relaunched the ASTN Membership model in 2021 to better reflect the individuals, professionals and organisations we partner with and support on an annual basis. Now is the time for the Sports and Sports Technology Industry to come together and join ASTN today.
